Long Sentence for the Highwayman.

Kane, the Tantalus Robber Must Pay Heavy Penalty--News of the Courts.

Kane, the burly native who was convicted in the Circuit Court on Thursday of the brutal assault and roblery of a Chinese hackdriver on Tantaius, received his deserts yesterday at the hands of Judge Silliman. A twentyyear sentence was inflicted by his honor, and while this was not the limit provided in such cases a residence of twenty years in the Oahu penitentiary may give Kane time within which to come to a realization of the enormity of his offense.

It does not seem to have been borne in upon the mind of the native that he had been guilty of any great crime. All during his trial he sat calmly gazing about him taking no interest in the case even when the harrowing details were told into his ears by an interpreter.

Yesterday morning when he came into court for sentence Deputy Attorney for life, urging the enormity and extreme brutality of the crime, and saying that such a man should not be allowed at liberty. George D. Gear, defendant's attorney, pleaded for clemeney, stating that a spark of virtue remained in every man's breast, no matter what crimes he might have been guilty of. Gear's alleged spark was not seen by the Judge, evidently.

When asked what he had to say for himself Kane replied through an interpreter, denying all knowledge of the crime. When he was made to understand the sentence he shrugged his shoulders and stolidly moved away with the officers.

Mrs. William Cotter who lives at No. 42 Windsor Street, Hartford, Connassys: "I was taken with neuralgia several years ago and suffered untold misery. I tried a great many doctors and several remedies, but I found only temporary relief. About three years ago I was advised to try Dr. Williams' Pink Pills for Pale People and I did so. I did, and I can truly say that the pills are the only medicine that ever permanently benefited me.
